CURRENT POSITION

RESIDENT SCIENTIST / PHD CANDIDATE	2021-
<i>Complexity Science Hub Vienna</i> Josefstädter Str. 39, 1080 Vienna (Supervisor: Dr. Edward D. Lee, Prof. Stefan Thurner)	
<ul style="list-style-type: none">• Discovering mesoscale for chains of armed conflicts• Building dynamical models to explain population-level scaling in sessile organisms• Joint affiliation with the Department of Physics, University of Vienna (Supervisor: Prof. Christoph Dellago)	

EDUCATION

MSc. in PHYSICS	2018-2020
<i>Indian Institute of Technology (IIT) Indore</i> Khandwa Rd, Simrol, Madhya Pradesh 453552	
<ul style="list-style-type: none">• Thesis topic: "Engineering chimera and novel technique based on machine learning"• Minor project on, "Crop classification using satellite imagery"• Minor project on, "Credit card fraud detection"	
BSc. in PHYSICS (HONS.)	2015-2018
<i>Institute of Science- BHU</i> Ajagara, Varanasi, Uttar Pradesh 221005	
High school diploma	2014
<i>Atomic Energy Central School</i> Tarapur, India	

INTERNSHIP

MASTER THESIS INTERN

2019-2020

Complex Systems Lab, IIT Indore | Khandwa Rd, Simrol, Madhya Pradesh 453552

(Supervisor: Prof. Sarika Jalan)

- Worked on my master thesis for a year

WINTER INTERN

2018

Astrophysical Sciences Division, Bhabha Atomic Research Station | Anushaktinagar, Mumbai - 400 094

(Supervisor: Mr. Bitan Ghosal)

- Main project topic: "Synchrotron emission by charged particles in a non-uniform magnetic field"
- Minor project on data analysis of radiation data from "Major Atmospheric Cerenkov Experiment Telescope"

ACHIEVEMENTS

National level exams

- Top 1% national level toppers (All India Rank=66) in National Graduate Physics Examination-2018
- All India Rank=432 in the national entrance exam for the Indian Institute of Technology in 2018

Awards

- Significant Milestone Award of the 2023 Exner Lectures in the category of PhD by The Exner Foundation
- Gold medal in National Science Olympiad conducted by All India Science Teacher's Association

CONFERENCES

THE GERMAN PHYSICS SOCIETY MEETING

2024

Berlin, Germany

- Gave a talk on "Conflict Classification Using Multinomial Mixture Models and Conflict Avalanches"

CONFERENCE ON COMPLEX SYSTEMS

2023

Salvador, Brazil

- Gave two talks, "From Narrative to Systematic Scales of Conflicts" and "Systematic Procedure for Extracting Causal Connections in Conflict Cascades"

NETSCI

2023

Vienna, Austria

- Volunteer with the organization team.

OTHER ACTIVITIES

Audio/Video

- Gave a live interview at the BBC newscast radio show.
- Our paper was featured in Sabine Hossenfelder's science news.

Volunteering Work

- Started an NGO with college friends at BHU to educate underprivileged kids in Varanasi
- Worked as a climate counsellor for the International Centre for Culture and Education
- Volunteer at the Buddy Project, Vielmehr für Alle! in Vienna

Select Online Courses

- "Network Dynamics of Social Behaviour" by University of Pennsylvania
- "From big bang to dark energy by Prof. Hitoshi Murayama" by University of Tokyo
- "Social Norms, Social change" by UNICEF
- "Digital media marketing" by Internshala

Model United Nations Conferences

- Attended the "BHU-Model United Nations conference, 2016"
- Attended the "Ganges model united nations, 2017"
- Attended the 'Malviya national youth parliament 2017"
